

NAR Headlamp

The NAR Headlamp is a compact, rugged, lightweight, high-performance LED headlamp. At only 2.75 ounces with batteries, our headlamp uses (2) 1.5V “AAA” batteries for a combined performance at the top of the sub compact headlight category. Specifically engineered to minimize weight and maximize run time the light’s optimized center of gravity provides excellent wearer comfort and stability during use. The NAR Headlamp offers High and Low lighting modes, and is packaged with “Rubber/Elastic Combo” headband.
