

BB2590/U Female Connector Set

Golden Season BB2590/U Female Connector Set

Product Description

Golden Season's BB2590/U Female Connector Set complies with SC-C-179495 standards. The pins are gold-plated for optimal conductivity, and snap into position without the use of special tools.

The special pins are designed to clamp onto incoming pins for a secure fitting, and are able to withstand more than 2000X connections without deformity.

The product is designed and manufactured for Mil-Spec / Aerospace rechargeable battery packs demanding high quality and strict tolerances.
