

## Humanitarian Polyester Blankets

Specifications	
Size extended:	1.5m x 2m
Weight:	For the above size 1.75kg (583GSM)
Material:	100% Polyester
Colors available:	Blue, Brown or other dark colors
Shrinkage:	Average 1% warp and weft after 3 consecutive washing at 30 Degrees Celsius and one flat drying.
Weight loss after washing:	0.7% weight loss after 3 consecutive wash at 30 Degrees Celsius and one flat drying.
Thickness:	Approximately 6mm
Tensile Strength:	335N Warp and 640 Weft
Tensile Strength loss after washing:	No tensile strength loss
Fire Resistance and cigarette resistance and cigarette resistance on non-washed sample (ISO 12952-1,2,3,4)	No ignition
Ph Organoleptic test:	No Bed smells, No irritations to skin, no dust
Thermal Resistance:	5.04 TOG (rounded to nearest 0.1) after 3 consecutive machine washing at 30 Degrees Celsius and one flat drying.
Resistance flow:	768 L/m2/s
